**EXTERNAL MESSAGE**

Ms. Callas,

I am writing to confirm our telephone conversation of March 23, 2020. Your subpoena directed to the West Virginia Board of Dentistry was received in their office on March 19, 2020, and sets forth a response deadline of March 26, 2020. Pursuant to the Governor's recent orders issued in response to the coronavirus pandemic, the Board's staff are currently working remotely and, therefore, are unable to search for information and documents that may be responsive to the subpoena, or to meet with me to review the same. As we discussed, the Board requires additional time, beyond the stated deadline, to respond to the subpoena. Once the Board is able to resume normal business operations, I will contact you to discuss setting a timeframe for the Board to respond to the subpoena. The Board appreciates your patience and understanding in this regard. Should you need to contact me, please note my full contact info listed below.

Regards,

**Keith D. Fisher**
